

The Children's Justice Center Multidisciplinary Team meets families on some of the hardest days of their lives.

Many are struggling right now. Washington County has a beautiful history of showing up for one another. If you've been wondering how you can **make a difference this holiday season**, we invite you to help us **share hope and love with the children and families we serve**.

The Washington County Children's Justice Center is holding a **Christmas Donation Drive**. We are collecting NEW clothes, toys, and gift cards for children ages 0 to 18. **We are especially in need of items for teens, as they are often the most overlooked during the holidays**. If you're not sure what to buy, gift cards are a great option that allow families to choose something special for their child.

Donations can be dropped off at the Washington County Children's Justice Center, located at 463 E 500 S. If you have any questions, please contact Alison at 435-301-7193.

Thank you for helping us make the season a little brighter for the children and families we serve.
